

AWS-Free tier account

FEBRUARY 6

Ashok IT

Authored by: Abhijeet Kumar

The Document is meant to create a free tier account in AWS

Pre-requisite:

- 1. Valid Email Address**
- 2. Valid Mobile No**
- 3. Valid Credit/Debit card**

Step 1:

Open: <https://aws.amazon.com/console/> and click Sign in to the console on top right corner

Step 2

Click on create a new AWS account

The screenshot shows the AWS IAM user sign-in page. At the top right is the AWS logo. The main content area is split into two columns. The left column is titled "IAM user sign in" and contains a form with the following fields: "Account ID (12 digits) or account alias", "IAM username", and "Password". Below the password field are checkboxes for "Show Password" and a link for "Having trouble?". There is an orange "Sign in" button. Below the form are two buttons: "Sign in using root user email" and "Create a new AWS account", which is highlighted with a red rectangular box. The right column features a promotional banner for "AWS re:Invent" with the text "Amazon Nova, new foundation models that deliver frontier intelligence and industry leading price performance" and a button that says "See what Amazon Nova can do".

Step 3: Enter Valid Email Id and AWS account name and click on verify email address

Explore Free Tier products with a new AWS account.

To learn more, visit aws.amazon.com/free.

Sign up for AWS

Root user email address

Used for account recovery and some administrative functions
